

House Resolution No.

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State high school athletic programs that truly embody the highest standards of training, sportsmanship, teamwork, and drive throughout the competitive season; and

Whereas, Marceline High School in the Marceline R-V School District sponsored a wrestling team during the 2006-2007 school year that closed the season with a Third Place finish in Districts and a Fourth Place finish in Class 1 action in Missouri State High School Activities Association sanctioned events; and

Whereas, the Marceline High School wrestling Bulldogs took Fourth Place at the state championships that were held from February 15 to February 17, 2007, in centrally located Columbia, Missouri; and

Whereas, admirably prepared for competition by head coach Brian Sherrow and assistant coaches Jeff Wright and Eric Nolan, the 2006-2007 Marceline wrestling Bulldogs team was composed of state players Matthew Bell, Nick Cordray, Bryce Cupp, Jonathan Neighbors, Austin Paalhar, Pat Riley, Tyler Shoemaker, Matthew Smith, Mitchell Smith, and Josh Weaver; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to acknowledge milestone events in the histories of such outstanding Missouri high school athletic teams as the Marceline wrestling Bulldogs:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history and accomplishments associated with the Marceline High School wrestling team and to convey to all of those involved this legislative body's most heartfelt congratulations upon taking First Place in Class 1 state competition during 2007; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of the Marceline R-V School District's wrestling program.
